

# Travel Time, Speed and Reliability Joint Subcommittee of ABJ30, ABJ35 (ABJ30(3))

*Marriott Marquis, Liberty P (M4)*

Tuesday, January 13, 2015 1:30PM - 3:15PM

## AGENDA

1. Introductions (Name, affiliation)
2. Review of paper submission activity

### Papers Routed to TTSR (2010-2015 Annual Meetings)

	2010	2011	2012	2013	2014	2015	6-yr Average
Submitted	37	21	40	38	37	48	36.8
Presentation	18	10	18	19	20	24	18.2
Publication	9	4	5	1 + 7 revise	1+9 revise	6 (revise)	7.0

### 2015 Paper Topic Areas

- Probe vehicles (GPS, cell phones, Bluetooth)
  - Arterial travel time/speed data
  - Private sector data
  - Modeling of travel time reliability
  - Speed/travel time modeling and estimation
  - Quality control/outlier detection
  - Performance measures
  - Fusion of point detector and probe systems
3. Session overview
    - a. **Travel Time and Speed Data Applications, Methods, and Performance Measures (Poster Session, 20 papers)**, Monday, January 12, 2015 2:00PM - 3:45PM
    - b. **New Applications of Travel Time Data from Probes (Lectern Session, 4 papers)**, Tuesday, January 13, 2015 8:00AM - 9:45AM
  4. Subcommittee scope review
    - a. Final version of subcommittee scope is attached. Please be prepared to discuss if you have any comments.
  5. New business
    - a. Subcommittee website
      - i. We're seeking volunteers to develop/host subcommittee website. Let Mike Fontaine or Karl Petty know if you are interested.
    - b. Research needs
      - i. Discuss possible research needs statements.
    - c. Data contest
      - i. Is there interest in developing data contest? We will form a group to develop if there is sufficient interest.
  6. Roundtable
    - a. Open forum to discuss TTSR related items, potential actions for ABJ30(3) next year.
