# LOOKING BEYOND THE 2009 TIGER/LINE<sup>®</sup> SHAPEFILES

## When will the next TIGER/Line<sup>®</sup> Shapefiles be released?

- 2010 Census TIGER/Line<sup>®</sup> Shapefiles will start being released in early 2011
- TIGER/Line<sup>®</sup> Shapefiles will not be released in calendar year 2010

## What will be in the 2010 Census TIGER/Line<sup>®</sup> Shapefiles?

- The initial 2010 Census TIGER/Line<sup>®</sup> Shapefiles will contain state and county-based shapefiles, followed by the American Indian area and nation-based shapefiles.
- 2010 Census and Census 2000 geography
- Geographic areas defined post-2010 Census will be released as they become available through 2013. Areas defined post-2010 Census include:
  - 113<sup>th</sup> Congressional Districts
  - Metropolitan Areas
  - Traffic Analysis Zones (TAZ)
  - State Legislative Districts (Upper and Lower)
  - Urban Areas
  - ZIP Code Tabulation Areas (ZCTA)

## Any changes expected for 2010 Census TIGER/Line<sup>®</sup> Shapefiles?

- Several changes are currently under consideration for the 2010 Census TIGER/Line<sup>®</sup> Shapefiles.
- In addition to the existing All Lines Shapefile we are considering adding:
  - Roads only shapefile
  - Rail only shapefile
  - Linear hydrography only shapefile
- In the metadata:
  - Provide a unique description for each file type
  - Include the file layout inside the metadata
  - Provide direct links to the file on the Census Bureau's website
  - Provide link to the technical documentation on the Census Bureau's website
